Northwestern Water and Sewer District (Owner) is requesting Bids for the construction of the following Project:

EASTERN HENRY COUNTY REGIONAL WATER MAIN WATERLINE #2902
PDG JOB NO. 313700-00399

Bids for the construction of the Project will be received at the **Northwestern Water and Sewer District** located at **12560 Middleton Pike, Bowling Green, Ohio 43402**, until **Tuesday, November 23, 2021** at **11:00** local time. At that time the Bids received will be “publicly” as applicable to the Project opened and read.

The Project includes the following Work:

Installation of approximately 56,000 lineal feet of 8” waterline install by open cut and horizontal directional drilling, 2,700 lineal feet of 12” river main crossing, relocation of the Liberty Center pump Station, and miscellaneous appurtenances such as fire hydrants and gate valves.

Bids are requested for the following Contract: **Eastern Henry County Regional Water Main Waterline #2902, PDG Job No. 313700-00399**

One bid will be received for the following contract with three sections:

Contract No.	Description of Contract	Owner’s Budget
1	Eastern Henry County Regional Water Main Waterline #2902	\$6,350,000
	Contract 1: McClure & Miscellaneous Waterline Improvements	
	Contract 2: CR 424 Waterline Improvements	
	Contract 3: Southern and River Crossing Waterline Improvements	

Owner anticipates that the Project’s total bid price will be approximately **\$6,350,000**. The Project has an expected duration of **365** days.

Obtaining the Bidding Documents

Information and Bidding Documents for the Project can be found at the following designated website:
www.pdgplanroom.com

Bidding Documents may be downloaded from the designated website. Prospective Bidders are urged to register with the designated website as a plan holder, even if Bidding Documents are obtained from a plan room or source other than the designated website in either electronic or paper format. The designated website will be updated periodically with addenda, lists of registered plan holders, reports, and other information relevant to submitting a Bid for the Project. All official notifications, addenda, and other Bidding Documents will be offered only through the designated website. Neither Owner nor Engineer will be responsible for Bidding Documents, including addenda, if any, obtained from sources other than the designated website.

The Issuing Office for the Bidding Documents is: **Poggemeyer Design Group, Inc., c/o Becker Impressions**

Plans may be viewed at:

Poggemeyer Design Group, Inc., 1168 North Main Street, Bowling Green, Ohio 43402

Becker Impressions, 4646 Angola Road, Toledo, Ohio 43615

Northwestern Water and Sewer District, 12560 Middleton Pike, Bowling Green, Ohio 43402

Prospective Bidders may obtain or examine the Bidding Documents at the Issuing Office on Monday through Friday between the hours of 9-4, and may obtain copies of the Bidding Documents from the Issuing Office as described below. Partial sets of Bidding Documents will not be available from the Issuing Office. Neither Owner nor Engineer will be responsible for full or partial sets of Bidding Documents, including addenda, if any, obtained from sources other than the Issuing Office.

Bidding Documents may be purchased from the Issuing Office during the hours indicated above. Cost does not include shipping charges. Upon Issuing Office's receipt of payment, printed Bidding Documents or electronic documents on compact disk will be sent via the prospective Bidder's delivery service. The shipping charge amount will depend on the shipping method chosen.

Instructions to Bidders.

For all further requirements regarding bid submittal, qualifications, procedures, and contract award, refer to the Instructions to Bidders that are included in the Bidding Documents.

American Iron and Steel

Section 746 of Title VII of the Consolidated Appropriations Act of 2017 (Division A - Agriculture, Rural Development, Food and Drug Administration, and Related Agencies Appropriations Act, 2017) and subsequent statutes mandating domestic preference applies an American Iron and Steel requirement to this project. All iron and steel products used in this project must be produced in the United States. The term "iron and steel products" means the following products made primarily of iron or steel: lined or unlined pipes and fittings, manhole covers and other municipal castings, hydrants, tanks, flanges, pipe clamps and restraints, valves, structural steel, reinforced precast concrete, and Construction Materials.

The following waivers apply to this Contract:

De Minimis,

Minor Components, and

Pig iron and direct reduced iron.

The successful bidder will be required to pay not less than the applicable minimum wage rates as established by the Department of Industrial Relations of the State of Ohio. This project is being funded with monies from USDA Rural Development.
