Join us as April Kasun from the Ohio Development Services Agency discusses how to utilize the Abandoned Gas Station Cleanup Grant and receive up to \$100,000 for assessment activities and \$500,000 for cleanup activities through competitive rounds, including assessment and cleanup of hazardous substances, demolition, property clearance activities, seeding and grading.

Eligible Properties

Property with a documented petroleum release that has been classified by BUSTR as "Class C

Property must be vacant or contain an abandoned structure.

Funding will be prioritized for former gas and/or service stations with the greatest potential for environmental, community, and economic impact

Eligible Applicants

Political subdivisions are eligible to apply for funding through this program.

All applicants must sign an affidavit certifying that neither they nor the current property owner caused or contributed to any prior release of petroleum or other hazardous substances on the property.

Eligible Costs

Up to \$100,000 for assessment activities and \$500,000 for cleanup activities through competitive rounds.

Additionally, a \$100,000 non-competitive Fast Track is available for projects where the only likely contamination is associated with the UST location(s), asbestos, lead-paint, or universal waste, as

demonstrated by a
VAP Phase I
Environmental
Assessment.
